

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

- I.** Introduction.
- A.** Satan is the openly declared archenemy of God.
 - B.** Both the OT and NT assume his existence.
 - C.** His most common title as Satan is explicitly referenced 18x in the OT and 36x in the NT. 1Chr.21:1; Job 1:6,7(2x),8,9,12(2x); 2:1,2(2x),3,4,6,7; Zec.3:2(2x); Mat.4:10; 12:26(2x); 16:23; Mar.1:13; 3:23(2x),26; 4:15; 8:33; Luk.10:18; 11:18; 13:16; 22:3,31; Joh.13:27; Act.5:3; 26:18; Rom.16:20; 1Cor.5:5; 7:5; 2Cor.2:11; 11:14; 12:7; 1The.2:18; 2The.2:9; 1Tim.1:20; 5:15; Rev.2:9,13,24; 3:9; 12:9; 20:2,7
 - D.** He is the primary source of evil to both fallen angels and mankind.
 - 1.** Fallen angels are described as “his” angels sharing his evil nature. Mat.25:41
 - 2.** He is the tempter behind the fall of Adam and Eve that became his progeny via the STA. Gen.3 cp.Joh.8:44; 1Joh.3:10
 - E.** He is a real personality of angelic creation (Cherub class) that operates behind the scenes of human history manipulating the entire cosmic system bent on destroying mankind. 1Joh.5:19; Eph.2:2; 1Pet.5:8; Rev.12:9; 20:3
 - F.** Christ acknowledged his existence and had a personal and real confrontation with him. Luk.10:18; 22:31 cf.Mat.4:1-11; Luk.4:1-13; Joh.8:44
 - G.** Judaism assumed his existence. Mat.12:24; Mar.3:22
 - H.** The Apostles assumed his existence. Act.5:3; Rom.16:20; 1Cor.5:5; 7:5, etc.
 - I.** Myths vs. reality:
 - 1.** Myth: He is merely the invention of the mind of man.
 - 2.** Reality: As noted above, the Bible totally refutes this.
 - 3.** Myth: His appearance is of a red, horned and pointed-tailed and/or other form of grotesque creature.
 - 4.** Reality: His appearance is of extreme beauty. Eze.28:12b,17a
 - 5.** Myth: He resides in hell.
 - 6.** Reality: He is free roaming planet earth and currently has access to heaven. Job 1:7; 2:2; 1Pet.5:8; Rev.12:10
 - 7.** Myth: He ultimately will rule in hell.
 - 8.** Reality: He will be assigned the lowest and most abased position in the Lake of Fire. Isa.14:9-11, 15-17
 - 9.** Myth: God created Satan and therefore is the author of evil.
 - 10.** Reality: God created Satan sinless and Satan of his own volition chose to become evil. Eze.28:15-17 cp. Isa.14:13-14
 - 11.** Myth: Satan makes individuals sin.
 - 12.** Reality: While he promotes and rules over sin, the true source of sin in the individual’s life comes from the source of their own –V and STA. Rom.7:19-23 cf.Joh.16:8-9
 - 13.** Myth: Satan’s role of deception is limited only to individuals.
 - 14.** Reality: Satan seeks to control history through deceiving of nations. Rev.20:3,7-8
 - 15.** Myth: Satan is necessary for balance of the universe i.e., yin and yang.
 - 16.** Reality: His absence and demise from the scene is the cause of blessing upon the universe. Rev.20:2-6 (Millennium),10 cf. chapter 21

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

II. Vocabulary, names and titles.

A. The Bible provides a slew of names, descriptive titles and alias's for Satan designed to give insight to the reputation of his character.

III. The creation of Satan.

A. The time of his creation.

1. Satan, like all other angels, was created by God in eternity past prior to the creation of the universe. Eze.28:13
2. He, along with the other angels, was a worshiping spectator who observed the creation of the heavens and the earth. Job 38:4-7
3. Since he was created before the earth, it is obvious that this was prior to the creation of man.

B. The nature of his creation.

1. He was created with volition. Isa.14:13-14
2. He was created perfectly righteous, without a sin nature. Eze.28:15
3. He was the most beautiful, intelligent, and impressive of the angelic host. Eze.28:12,13
4. God appointed him to a position of highest honor and privilege; he was the anointed cherub that guarded access to the throne room of God. Eze.28:14
5. He lived in regal splendor clothed in glamour. Eze.28:13,14
6. He was capable of making great music. Isa.14:11

C. His personality.

1. Satan is not merely the personification of evil, or an evil force that somehow came into being.
2. He is real and personal, manifesting characteristics of higher intelligence:
 - a. Volition. Isa.14:12-14
 - b. Intelligence. Eze.28:12
 - c. Speech. Mat.4:3,6,9
 - d. Emotion. Rev.12:12,17
 - e. Travel. Job.1:6-7; 1Pet.5:8
 - f. He has a plan (schemes/strategies). Eph.6:11

D. His limitations.

1. Although he has a long history, he is not eternal.

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

2. He is not omnipresent; however, his army of demons enables him to rapidly gather information from around the globe.
3. Although he has accumulated a great amount of knowledge over the centuries, and can monitor current developments world-wide via his demon army, he is not omniscient.
4. While he does possess great power, he is not omnipotent.
5. He is, in every way, inferior to God, against whom he has chosen to revolt.
6. The Word of God clearly indicates that Satan and the kingdom of negative volition over which he rules, have a beginning and an end.
7. His operation of evil is consistently viewed as existing for only a time under the permissive will of God.

IV. The resume of Satan's falls.

- A. While most speak of a single fall of Satan, the Bible indicates a series of at least 4 falls beginning with his original fall.
- B. While he was created without a sin nature and was perfect in every way, Satan possessed volition. Isa.14:13-14
- C. For an unspecified period of time, Satan remained obedient and sinless, serving God. Eze.28:15
- D. His original sin was the mental attitude sin of pride in his great beauty. Eze.28:17
- E. When Satan became impressed with himself, he lost his doctrinal perspective corrupting his wisdom. Eze.28:17.
- F. Pride or arrogance is the opposite of humility and grace orientation. Cp. Prov.8:13; 11:2; 16:18; 29:23; Dan.4:37
- G. Rather than maintaining proper orientation with respect to his beauty and recognizing that all he possessed came from the grace of God, Satan came to believe that because of his beauty he was somehow superior.
- H. Sin resulted in his demotion from his position as the anointed cherub that guards, being cast to the earth. Eze.28:16 cp.Isa.14:12
- I. Immediately following his original fall, Satan adopted the manifesto of revolt as revealed in his 5 "I wills" of Isa.14:12-17:
 1. Self-exaltation in competition with God to rule in the 3rd heaven. Vs.13a *"I will ascend to heaven..."*
 2. Rulership over the angelic hosts. Vs.13b *"I will raise my throne above the stars of God..."*
 3. Establishment of his throne on the earth. Vs.13c *"I will set on the mount of assembly in the recesses of the north."*
 4. Rulership over planet earth. Vs.14a *"I will ascend above the heights of the clouds..."*
 5. Finally, to make himself like God. Vs.14b *"I will make myself like the Most High."*
- J. The time of his original fall was sometime after the creation of the universe but prior to the creation of man.
- K. His original fall was being cast out of heaven demoted from his original position as the anointed cherub (some count this as 2 falls). Eze.28:16

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

- L. His 5 “I wills” are a subsequent result of his original sin.
 - M. They most naturally look to a propaganda campaign of future determinations through which he will re-exalt himself.
 - N. These 5 “I wills” are retaliation to his original fall from holiness and subsequent demotion.
 - O. They in turn correspond to 3 more falls Satan experiences:
 - 1. Fall two occurs in conjunction with seal six of Rev.6:13-14 (~3rd year, 1st month of the tribulation) when all access to the 3rd heaven is withdrawn and Satan is confined to planet earth in operation star-wars. Rev.12:7-12
 - 2. This fall disproves any validity to him ruling in the 3rd heaven and over the angels in his 1st two “I wills”.
 - 3. Fall three will occur at the 2nd Advent when he is confined to the abyss for a thousand years. Rev.20:1-3
 - 4. This fall disproves his claim of ruling North of Israel over the world in his 3rd and 4th “I wills”. Rev.20:1-3
 - 5. Fall four will occur at the end of the Millennium (thousand years) when he is confined to the lake of fire for eternity. Rev.20:7-10
 - 6. We can assume this fall vanquishes his 5th “I will” disproving beyond a shadow of doubt that he will ever reach his ultimate goal of reigning as the “Most High” of creation.
 - P. His 3 subsequent falls indicate the process of a total resolution to the Angelic conflict judging all 5 “I wills” as fraudulent and empty.
- V. Satan's current status.
- A. After Satan's open revolt against God, one-third of the angels accepted Satan's viewpoint and joined him. Rev.12:4
 - B. Their base of operations for their revolt (or following the actual revolt) became planet earth.
 - C. They were judged by the Eternal Judge and their base of operations was turned into a frozen uninhabitable wasteland. Gen.1:1,2
 - D. They were condemned for their unrighteousness and sentenced to the lake of fire. Mat.25:41
 - E. However, it is evident from the Bible that the sentencing has not yet been carried out. Job 1:6,7; 1Pet.5:8
 - F. When all the evidence is evaluated, it is clear that Satan and his fallen angels have appealed the sentence.
 - G. It is obvious that the crux of his appeal centers on God's Sovereignty (will) and essence vs. Satan's as implied through his 5 “I wills” and hence, volition.
 - H. Any further implications are at present speculation.
 - I. However, it is a fairly safe bet that Satan did not believe that God could resolve the issue of conflict of –V manifested in His creation and maintain His integrity of essence and Person.
 - J. Satan's fall resulted in judgment on creation and the earth was packed in ice.
 - 1. The surface of the earth was covered with water.
 - 2. There was total darkness.
 - 3. This means ice.

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

- K.** Following restoration of the earth, man was placed here as part of the resolution of the appeal. Gen.1:1-2:25
- L.** Satan immediately attacked the new ruler of planet earth, using deception on the woman in order to engineer the fall of the man and gain dominion over the kingdoms of negative volition. Gen.3:1-7; Luk.4:5,6
- M.** He is the current ruler over his kingdom of demons and over negative, unregenerate humanity. Rev.12:7-9; Joh.8:44; 2Cor.4:3,4; 1Joh.5:19

THE DOCTRINE OF SATAN AND SATANIC COUNTERFEITS

- C.** Toward both believers and unbelievers.
1. The Word of God likens the cosmos (the devil's world system) to a casino with a variety of rigged games that Satan operates to deceive men and take advantage of them through his system of deception; every person who lacks Bible doctrine is like a ship without a rudder, carried about by winds of false doctrine and tossed by various waves. Eph.4:14
 2. Satan is the master schemer of the universe in this regards. Eph.6:11
 3. He is constantly on the lookout for someone to destroy. 1Pet.5:8
- D.** Toward the nations.
1. Satan has advanced a plan for internationalism of the nations over history via the Babylonian system of a one-world/one-religious order. Gen.11:1-9 cp. Rev.13:1-8; 17:9-13 cf. Psa.2:1-2

 5. He distorts the Mosaic Law into a system of legalism bringing about the rise of Pharisaism during inter-testament times.
 6. He blinds them with respect to their Messiah.
- F.** Towards Christ:
1. Satan sought to prevent the appearance of the Messiah in human history by attacking the promised seed of the woman. Gen.3:15

VII. Satan's primary weapon of choice and counterfeits.

- A. While Satan has a vast arsenal of weapons of choice, they are all designed to deceive his victims.
- B. His deception for the individual is to falsify doctrine in order to trap, seduce and take captive under the STA. 2Cor.11:3; 1Tim.3:7; 2Tim.2:25-26 cf.2Cor.11:14
- C. His deception towards nations is the need to throw off the Divine restraints of nationalism and internationally unify in order to bring about world peace. Psa.2:1-3; Rev.18:23 cp.1The.5:3
- D. His deception comes in the form of counterfeits to BD:
 1. He has a regular system of false communicators (false apostles and teachers). 2Cor.11:13-15; 2Pet.2:1

VIII. The future of Satan.

- A. The plan and policy of evil, which Satan has promoted in the past and continues to propagate in the present, will continue to gain momentum among negative volition on planet earth.
- B. We are entering the most intensified stage of the Church Age, a time when all aspects of evil and brutality are on the increase. 2Tim.3:1-5
- C. It is the time just prior to Christ's return; it is a time when scoffers are prevalent. 2Pet.3:3-7
- D. Our age will end with the rapture of all believers; this event is immediately followed by the appearance of the antichrist, the man of sin that will take apostasy to new heights. 2The.2:1-2

- L.** He will there be tormented day and night forever and ever. Rev.20:10

IX. Conclusions.

- A.** Satan was a creature created by God with incredible assets and placed in a unique position of authority and splendor.
- B.** He forfeited his position through negative volition, rejecting God opting for his own arrogance and self-will.
- C.** As such, he introduced sin and the existence of a sin nature into the world of God's created.
- D.** He has been tried and sentenced to the lake of fire; however he is free on appeal.
- E.** Human history is the extension and resolution of the angelic conflict; during this period, Satan's appeal will be resolved and God's sentence will be proved to be righteous, fair, and just.
- F.** God allows Satan to continue to operate, for a time, in order to give a demonstration of the bankruptcy of Satan's thinking and the depravity of Satan's actions.
- G.** Satan is a ruler.
- H.** Satan is, however, finite and his kingdom is limited to those who are negative.
- I.** The entire negative world is in his trap, held captive (by means of their own negative volition) to do his will. 1Joh.5:19
- J.** While Satan is the source of all overt temptations and evil in the world, he can only rule through the individual's own negative volition and the STA.
- K.** Christ's work on the cross tactically neutralized Satan's rulership for those that are +V. Joh.12:31-33; 16:11
- L.** Failure for the believer to separate from friendship with Satan's domain, aid and abets this most notorious enemy of God. Jam.4:4
- M.** The prescription given for dealing with Satan is summarized succinctly in Jam.4:7:

“Submit therefore to God. Resist the devil and he will flee from you.”
